

## **MARBLE 2016 IS READY TO OPEN ITS DOORS**

**THE MEETING POINT for MARBLE and NATURAL STONE**

*fuarizmir - MARCH 23-26*

**MARBLE – 22<sup>ND</sup> NATURAL STONE AND TECHNOLOGIES FAIR is getting ready to host the sector in the biggest exposition center of Turkey “fuarizmir” on March 23-26, 2016.**

*MARBLE, being among the top three marble fairs of the world, is the right place to display new products, to meet with buyers from all over the world and to follow the trends of the sector.*

*MARBLE, being a commercial bridge between European and Middle Eastern countries, carries and extends its mission of finding new exporting markets and increasing the number of visitor countries and foreign buyers.*

*MARBLE, in which first launch of new stone examples are made and brand new technological products and sector representatives meet, is open only to professional visitors.*

Natural stones such as marble, travertine, limestone, onyx, diabaz, andesite, basalt, granite, decorative and art products are exhibited in Marble – International Natural Stone and Technologies Fair. Furthermore, technologies such as mining machines, factory and plant machineries and environmental protection, recycling and recovery systems are exhibited in the Fair among with the consumables and heavy equipment.

Construction companies, project management and consultancy companies, building inspection companies, architectural offices, wholesalers, dealers and distributors of construction materials are among the visitors of Marble – Natural Stone and Technologies Fair.

### **MARBLE Continues to Grow**

Marble continues to grow with over 200 new applications. Promotional operations for Marble are carried on not only in the sectoral fairs of Turkey but also in international platforms which are important for marble sector such as France, India, Spain, Italy, Iran, Portugal and Brazil.

### **MARBLE with Numbers**

*373 foreign firms and brands out of 1,562 from 27 countries attended Marble in 2015. Marble, natural stone, plant machineries, mine-construction equipment and consumables*

*were exhibited in the fair. A total of 784 blocks with 10 to 30 ton wrought and 15,000 raw natural stones were exhibited in Marble.*

*In 2015, 7,442 foreign visitors from 35 different countries out of 51,149 professional visitors attended Marble.*

You can, as your competitors do, take an advantage of following your competitors by meeting with the leading firms of the sector, and most importantly you can enlarge your trade volume by attending **Marble – 22<sup>nd</sup> International Natural Stone and Technologies Fair.**
